## 120 CLUB

The purpose is to raise funds for the whole club. 120 Club money will be paid into the club bank account and used to meet funding requests from LHC. All funds raised, other than prize money will be re-distributed within the club - the 120 Club management (sub committee) will agree, along with members, whether the money would be spent on coaching, equipment, or towards tours, socials etc.

There are a total of 120 numbers available for annual purchase in this private lottery. It is open to players, parents, coaches and friends of the club.  
You can buy as many numbers as you would like.  
Each number costs £60 per year.  
You will be allocated a random available number.

Each valid number will be entered into each draw. By valid we mean that number has been paid for. And if payments are being made monthly, that payments are complete as at the date of the draw.

The draws will take place on four publicised dates in the year- the club will advertise in advance via email to club members and on social media.

There are three prizes per draw. If all numbers are purchased, first prize will be £400, second prize £200 and third prize, £100. Reduced pro rata if not all numbers are sold.

Payments should be made monthly £5 or **preferably an annual payment of £60** to:
